EDUCATION

Indian Institute of Technology Delhi – Bachelor of Technology July 2019 - May 2023
Major: Engineering Physics; **Minor:** Computer Science; **Department Rank:** 4/49 **CGPA:** 8.996/10
Featured Coursework: Data Structures and Algorithms, Digital Electronics, Machine Learning, Special Topics in Computer Applications (Social Computing), Computer Networks, Analysis and Design of Algorithms, Linear Algebra and Differential Equations, Calculus, Probability and Stochastic Processes, Signals and Systems

EXPERIENCE

Google DeepMind July 2024 - Present
Pre-Doctoral Researcher with [Dr. Partha Talukdar](#) Bengaluru, India
Project: Modularity for Continual Learning

Microsoft Research May 2023 - June 2024
Student Researcher with [Dr. Sunayana Sitaram](#) Bengaluru, India
Projects: Indic LLM Evaluation Leaderboard (PARIKSHA), Multilingual & Multicultural Toxicity Detection Dataset (RTP-LX), Analysis of Multilingual Finetuning of LLMs (MAPLE), Multilingual Benchmarking (MEGAVERSE), Shiksha Copilot

Torch Investment Management Sept 2022 - Dec 2022
Machine Learning Engineer Intern with [Amit Sharma](#) Remote / Noida, India
Project: Stock Price Modelling

Udaan May 2022 - July 2022
Data Scientist Intern with [Pranjal Singh](#) Remote / Bengaluru, India
Project: Holistic User-Embeddings via GNNs

Griffith University May 2021 - July 2021
Research Intern with [Prof. Saiful Islam](#) Remote / Queensland, Australia
Project: Malware Detection using Machine Learning

MAJOR AWARDS & ACHIEVEMENTS

- Bagged **1st position** in Topic Challenge & Honours in Executive Challenge at Microsoft Global Hackathon. 2023
- Secured **6th position amongst 5000** teams all over India in the Amazon ML Challenge 2023. 2023
- Granted **Merit Award** in 3 semesters for ranking top 3 of 49 students in Physics Dept., IIT Delhi. 2021-2022
- Achieved **Rank 1635 in JEE-Advanced & 99.94 percentile in JEE-MAINS** among 1.4 million candidates. 2019
- Recipient of **KVPY Fellowship** (Kishore Vaigyanik Protsahan Yojana) given by DST, Government of India. 2018

FEATURED ACADEMIC PROJECTS & COLLABORATIONS

- **Modularity for Continual Learning** July 2024 - Present
Google DeepMind
Advisors: [Dr. Prateek Jain](#), [Dr. Partha Talukdar](#)
 - Experimenting different **model composition** architectures in LLMs to continually adapt models to new domain.
 - Analyzed continual learning methods across training flops, added parameters and latency on compositional tasks.
- **Indic LLM Evaluation Leaderboard** Jan 2024 - June 2024
Microsoft Research India
Advisors: [Dr. Sunayana Sitaram](#), [Dr. Vivek Seshadri](#), [Dr. Swami Manohar](#)
 - Collaborated with [People+AI](#) and [Karya Inc.](#) to build a fair and transparent evaluation platform for LLMs. 🏆
 - Curated **culturally-nuanced** prompt through native-speakers in **10 Indian languages** and evaluated 30+ LLMs.
 - Built leaderboards from **90k human & 30k LLM-based** evaluations via pairwise comparisons & direct assessment.
 - Studied Human-LLM agreement and potential biases in evaluations across languages and models. [EMNLP'24]
- **Multicultural and Multilingual Toxicity Dataset Curation** Dec 2023 - April 2024
Microsoft Redmond
Advisor: [Dr. Adrian de Wynter](#)
 - Released culturally-nuanced toxic multilingual benchmark in **38 languages** to facilitate safer deployment of LLMs.
 - Evaluated **10 S/LLMs** for toxicity detection across **8 harm categories** and different language groups. [AAAI'25]
 - Observed LLMs fail to detect subtle biases (microaggressions) & performance decreases with language's availability.
- **Multilingual Finetuning and Benchmarking** Oct 2023 - Feb 2024
Microsoft Research India
Advisors: [Dr. Sunayana Sitaram](#), [Dr. Kailka Bali](#)
 - Studied **QLoRA** finetuning technique across different rank-quantisation configurations, base models & datasets.
 - Finetuned **90+ models** and analysed cross-lingual transfer, catastrophic forgetting and effects of **PEFT**. [ACL'24]
 - Benchmarked multilingual capabilities & contamination of 20 LLM across 23 dataset & 83 languages. [NAACL'24]
- **Shiksha Copilot Web App** June 2023 - Nov 2023
Microsoft Research India
Advisors: [Dr. Akshay Nambi](#), [Dr. Tanuja Ganu](#)
 - Engineered **Shiksha Copilot** web app to aid teachers in creating engaging content for students using Gen-AI.
 - Built an intricate and user-friendly frontend via streamlit, structured telemetry and analysed collected data.
 - Collaborated with [Shikshana Foundation](#) and deployed Copilot in **10+ schools** across Karnataka to teachers.

Media Coverage: [Satya Nadella talk](#), [Times of India](#), [The Indian Express](#), [Analytics India Magazine](#), [Microsoft](#)
- **Holistic User-Embeddings via GNNs** May 2022 - July 2022
Udaan
Mentors: [Pranjal Singh](#), [Mohit Kumar](#)
 - Developed framework to generate user representation from buyer-seller interaction graph for better segmentation.
 - Built multi-relational & multi-entity graph and modeled **Hetero-Graph AutoEncoder** with novel a loss function.
 - Decreased Udaan dispute loss by **2.45%** by incorporating embeddings in existing fraud model – **full-time offer**.

VOLUNTEERING & CO-CURRICULAR ACTIVITIES

- **Co-Curricular Activities**
 - Organised & participated in India's **First Model Builder Summit** at Bangalore Convention Centre with People+AI.
 - Gave a **Talk** promoting "Inclusivity in Evaluations" at National Research Council Canada (NRCC) in Sept'24.
 - Presented papers at ACL'24 & EMNLP'24 and regular **Reviewer for ARR** (June'24, August'24 & October'24 cycles).
 - Attended **Winter School on Deep Learning** organised by Indian Statistical Institute (ISI), Kolkata in Spring 2023.
 - Completed **A1 level in Spanish** as non-credited course of Humanities & Social Sciences Department, IIT Delhi.
- **Volunteering**
 - Mentored six freshmen for their academic wellbeing through **BSW Student Mentorship Program** at IIT Delhi.
 - Prepared Care-Packages comprising poems & articles under **NSS Mental Health Project** during the pandemic.
 - Worked in the social media promotion department to spread awareness for the **non-profit 'No Help Too Big'**.
